The Bricklayers and Allied Craftworkers of New Jersey (BACNJ) today announced their endorsement of Phil Murphy for Governor of New Jersey.

“On behalf of the **(2,600)** Bricklayers and Allied Craftworkers of New Jersey, I am proud to announce our endorsement of Phil Murphy for a second term as Governor of our great state,”; said John Capo, the Director of the Union. “Governor Murphy’s leadership has shown him to be an ally of our Union’s brothers and sisters by enacting pro-worker legislation and fight the underground economy by cracking down on employee misclassification, and increased funding for school development, and therefore, helping to spur economic growth.”

“Our Union membership stands ready and willing to help re-elect Governor Murphy for a second term,” added Director Capo. “We look forward to working with Governor Murphy to build upon the accomplishments of his first term and continue to bolster the state’s stronger and fairer economy.”
